

Jane and Gary's Wedding Location Dundarave Beach

- The wedding is down on the beach just south of the Beach House Restaurant. Bring or wear shoes suitable for a beach.
- Walk south towards the pier. There is a boardwalk just before the pier on the west side beside some newly planted Palm Trees. (Outlined in red below). The wedding will take place at the west end of the boardwalk by the beach.
- Pick your log! There will be a few chairs for those who need to sit (ceremony is around 20mins)
- If weather doesn't cooperate, we will be having the ceremony at our Beach House venue upstairs on the deck.
